

Each quarter, LARADON'S Ticket to Work newsletter will bring you information about returning to work, navigating your benefits and community resources. If you have an idea for a newsletter topic, we want to hear from you!

October – December 2018

Laradon's Ticket to Work program is growing!

So far in 2018, Laradon has added 8 new beneficiaries to the Ticket to Work program to bring our total enrollment to 63, with an ongoing goal of serving more beneficiaries every year. To attain our growth goal we need your help, so we are offering one more way you can receive a quarterly \$25 gift card. Beginning October 1st, 2018, when you refer a beneficiary who earns above SGA (\$1180 for 2018) for three months, we'll thank you with a \$25 gift card. Referral information must be submitted when the new beneficiary enrolls with Laradon.

There are now FIVE different ways you can earn a \$25 gift card each quarter (\$25 maximum bonus each quarter)

- Submit all of your paystubs for a calendar quarter showing earnings above SGA
- Achieving benefit cessation
- Completion of a certificate or degree program
- Program graduation
- Referring a beneficiary who earns above SGA for three months

NOTICE! SETMORE on-line scheduling has closed. Laradon is no longer using Setmore to schedule appointments. Please contact Ann or Dan directly as needed.

HOLIDAY STRESS

The next few months can be super exciting and fun for many, but not everyone experiences it that way. Planning gatherings, eating and drinking more than we are used to, remembering loved ones who have passed, time with family and friends, and loneliness can all be a part of the holiday months. Make time to take care of yourself and reach out to those around you who may be struggling.

YOUR TICKET TEAM WISHES YOU ALL A HAPPY AND HEALTHY HOLIDAY SEASON.

TIPS FOR ATTENDING A JOB FAIR

Attending a job fair can be a great way to practice talking to employers about your skills, even if you don't see the employer of your dreams at the fair. Treat these events like your initial interview by introducing yourself, making eye contact, bringing resumes, asking questions, staying off your phone, and dressing for success. Scheduled job fairs are often held at local workforce centers, with a schedule of events found on <https://www.connectingcolorado.com/>
