## SETTING UP A WORK TEAM FOR YOUR BUSINESS

Where does the team work?

Our work teams come to you and perform the job at your business site.

Who trains and supervises the team?

Our Laradon Work Team Job Coaches come with the Work Team and learn the job duties right along with the individuals so they can assist with training, quality assurance, and supervision as needed on an ongoing basis **at no additional cost to your business.**

Who pays the workers?

With assistance from Laradon's Work Team Job Coaches, your business hires Work Team individuals like you would any other employee. As long as Work Team individuals are paid at least minimum wage, or the standard wage paid by any employee performing the same type of work.
